

# VISIONS

— BRAHMAND —  
THE UNIVERSE WITHIN

# ABOUT VISIONS

A college fest celebrates college life but 'Visions' is much more than that. 'Visions' is the intercollegiate cultural festival of SIES College of Arts, Science and Commerce (empowered autonomous), Sion West, celebrated each year with immense enthusiasm and spirit. Learning goes far beyond classroom boundaries, and students grow the most when they truly enjoy the learning process. 'Visions' creates opportunities for students to gain knowledge through diverse experiences, interactions, and challenges. With its vibrant crowd, wide range of competitions, and rich cultural diversity, 'Visions' offers a unique collection of unforgettable moments. Meeting new people, understanding different perspectives, and collaborating with them form the core of what this fest stands for making the journey both meaningful and memorable. This year marks the 34th edition of Visions scheduled for January 2026, with an expected footfall of 4,000 to 5,000 attendees

# ABOUT THE THEME

Brahmand celebrates the energy that lives inside each one of us. Inspired by the five elements:

**Earth, Water, Fire, Air, and Space,**

this theme reminds us of the strength we stand on, the flow that keeps us moving, the passion that drives us, the freedom to breathe and grow, and the endless imagination that opens our minds.

As we step into Brahmand, we're also discovering how powerful these elements can be when they come together. Each one brings something special, but together they create balance, support, and a strength that can truly change us.

Brahmand is about unity, inspiration, and growing into our best selves. It encourages us to push our limits and explore the universe that already exists inside us.

**THE UNIVERSE WITHIN.**

# PERFORMING ARTS

# DIGITALS

The background is a rich, dark space scene. A large, vibrant nebula in shades of blue and purple fills much of the upper and central portions. A bright, glowing yellow star is positioned behind the word "DIGITALS". In the upper right, a large, curved horizon of a blue planet with white clouds is visible. In the lower left, the dark, cratered edge of a grey planet is shown. In the lower right, a grey, cratered planet is partially visible, and further back, a planet with a prominent ring system can be seen. A thin, curved, reddish-brown line arcs across the middle of the image. Several smaller, distant planets and stars are scattered throughout the scene.

# 90s RETRO REWIND

## 90s AD WAR

### EVENT DESCRIPTION

Rewind the era when ads ruled every screen,  
Relive the punchlines crisp and clean,  
Revamp the retro with a modern sheen.
